EPA Revises Fine Particle Designations for Five Kentucky Counties

The U. S. Environmental Protection Agency (EPA) has revised air quality designations for fine particle pollution in five Kentucky counties. Air monitoring data demonstrates improved air quality in Campbell, Kenton, Boone, Jefferson and Bullitt counties. "Air Quality in Kentucky continues to improve …Continue reading

Emergency Grants Available to 28 Counties to Clean Up Flood-Related Solid Waste from Recent Storms

The Energy and Environment Cabinet announced that up to $560,000 is available in emergency grants to help 28 flood-damaged counties clean up solid waste generated by recent floodwaters caused by last month's winter storm. The total grant amount to …Continue reading
